

Beer (Draught)

- ⇒ ***UBU Ale**, Lake Placid Pub & Brewery, 7.0% ABV • *English-style Strong Ale is deep garnet red in color, and features dark fruit and roasted malt flavors, with a slightly bitter finish.*
- ⇒ ***Switchback Ale**, Switchback Brewing Co., 5.0% ABV • *A reddish-amber ale which is particularly well-balanced, and features hop flavors, a subtle impression of fruit & a pleasing malty finish.*
- ⇒ ***Smuttynose IPA "Finest Kind"**, Smuttynose Brewing Co., 6.9% ABV • *The citrusy hop flavor coming from a mixture of Simcoe and Santiams is pleasantly balanced by a smooth bitterness from the Amarillo hops. The beer itself is light bodied and crisp with a golden color that will throw a slight haze, as it is bottled unfiltered. At 75 IBUs, this is definitely not a training-wheels IPA, but is meant for hop lovers looking to satisfy their craving in a way that's not easy to find.*
- ⇒ ***Longboard Island Lager**, Kona Brewing Co., 4.6% ABV • *A smooth refreshing lager featuring a delicate, slightly spicy hop aroma which complements the malty body of this beer.*
- ⇒ ***Cumberland Head Cream Ale**, Great Adirondack Brewing Co., 5.1% ABV • *A dry and crisp light ale with a finely tuned hoppy finish. Left unfiltered to preserve its more subtle flavors. About as light as a proper ale can be.*
- ⇒ ***Whiteface Stout**, Great Adirondack Brewing Co., 6.8% ABV • *Huge amounts roast and chocolate malts give this robust & hearty brew its opaque color and layered flavors of chocolate, roast, coffee, and espresso. This is a medium to full-bodied brew that has substantial alcohol in the back to balance out the roast flavors*
- ⇒ ***Lake Placid Big Slide IPA**, Lake Placid Craft Brewing Co., 7.0% ABV • *Walking through the forests around the Olympic village you experience the enormity of the Adirondack Mountains. We offer this big, slightly piney brew in tribute to both the 27th High Peak and our ski jumps, which rise high above the trees. Here's to the heights!*
- ⇒ ***Saranac Pale Ale**, Matt Brewing Co. / Saranac Brewery, 5.5% ABV • *Officially American: previously an English Pale Ale, this beer has been converted over to an American style Pale Ale. They've dialed up the hop profile, adding more focus to American style hops, like Cascade, Chinook, Citra and Willamette.*
- ⇒ ***Blue Moon, Belgian White**, Coors Brewing Co., 5.4% ABV • *A zesty orange fruitiness with a light spicy wheat aroma. The flavor starts crisp & tangy & ends with a coriander and orange spiciness.*

Draught Continued...

- ⇒ ***Rye Pale Ale**, Paradox Brewery, N.Y. 5.5% ABV Paradox Red Ale features a blend of 3 malts to give a rich deep amber color & supply slightly sweet malty flavors. Just enough American & English hops are used to provide balance & flavor.
- ⇒ ***BitBurger Premium Pils**, Bitburger Brauerei, Germany 4.8% ABV • Note first the bright, fresh golden colour and rich frothy head so typical of this elegant Pilsner beer. Its refined herbal notes are delicately poised, followed by a nutty and honeyed aftertaste. The overall impression of this gently sparkling beer is one of deep harmony, with the unmistakable bitterness of the hops balanced & contained by an agreeable, mellow sweetness in the body.
