

We are proud to host Green Meetings! We guarantee that all of our gatherings are planned with Earth Friendly practices in mind. Host your next event knowing you are being kind to the earth!

Four Seasons Conference Center

Classically appointed in cherry wood and brass, this 3,000 sq. ft. banquet hall will provide the perfect seating for your meetings and receptions. The portable divider wall makes this room ideal for both large meetings and small group discussions or dinners.

The Black Forest Room

The Blackforest Room has a quaint intimate character and features a picture window directly overlooking the shores of Mirror Lake. There is access to the beach which makes the Blackforest Room perfect for barbecues. This is an excellent setting for hosting receptions and luncheons with an unbeatable view.

Generations Restaurant

Generations Restaurant is ideally suited for all types of small gatherings. The upstairs dining room can be configured for a cocktail party or a formal reception. The spacious Main Dining Room's grand fireplace creates an elegant atmosphere. Beautifully presented Modern American dishes will leave your mouth watering.
